

OxMorph2 - The Second Oxford Workshop on Romance Morphology

“Autonomous Morphology in Diachrony: The Romance Languages (and Beyond)”

Proposals for posters

Researchers working on verb morphology in the Romance languages are invited to submit proposals for posters. Autonomously morphological phenomena are by their nature expected to be idiosyncratic and language-specific, but we welcome proposals dealing with data from other languages and offering a comparison with Romance.

All abstracts, which should be no more than 500 words, must be submitted electronically as a pdf document to oxmorph [at] mod-langs.ox.ac.uk by 31 May 2010. Please use 'Abstract – Name(s) of author(s)' as the Subject header and include the following information in the body of the message: 1. Name(s) of author(s); 2. Affiliation(s); 3. E-mail address(es); 4. Title of abstract.

Notification of acceptance will be sent by 1 July 2010

Since space is very limited, those wishing to attend should register for this event by sending an e-mail to oxmorph [at] mod-langs.ox.ac.uk as soon as possible.
